Living Heaven on Earth

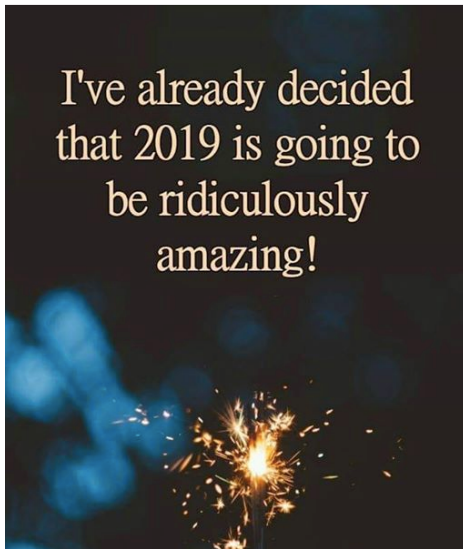

Happy New Year Tribe!

I predict that you will be, **YOU ARE a HUGE success in 2019** . You're ready for it. I predict that there is nothing that's going to stop you from achieving what you are setting out to do, because you have made peace with your past and have released the self-sabotaging programs of fear. I predict that you are being moved to up your inner game and show up with authority power and clarity. **I predict that it's GAME ON in 2019**, with your diet, with your fitness, with your business, with all relationships and your purpose. I predict that you are a New Earth Ambassador and **you're giving back in the name of Love**. I predict because of you giving back, you are changing the game. **The whole world will benefit because of YOU! I Am - We Are Peace.**

One of the ways to anchor in all of this is do a daily practice of clearing and seeding your dreams. **[The Keeper of the Garden 21-day Audio Course](#)** takes only a few minutes a day and you can start anytime and go at your own pace. This will activate you in an accelerated way. It's easy, it's fun, **[it's only \\$21!](#)** A dollar a day to a new you! Join me!

Happy New Year wherever you are!

Love Always,
Kornelia

ENROLL ANYTIME, GO AT YOUR OWN PACE: THE KEEPER OF THE GARDEN AUDIO COURSE

[Gift this e-course](#) to all your friends, families and employees for a New Year's jumpstart into 2019. Bring PEACE to your friends and into the workplace and watch it ripple out to them and their families, your customers and into your communities.

Only 10 minutes a day for 21 days will:

- release negative suppressed emotions that affect your health
- raise your vibration processing your emotions and feelings
- let go of old habits limiting beliefs
- list 105 or more things you are grateful for
- align your healthy mind, body and spirit
- heal yourself

The peace vibe is contagious. People will look at you and say, I want what you have!

Meet my new Co-Host - Dennis Gaither

Welcome Grassroots Citizen Diplomacy leader, Dennis Gaither to my show. He is all about bringing people of diverse cultural, ethnic, religious and economic backgrounds together.

He says: "I believe person to person exchanges bring grassroots understanding and weave a living, global neighborhood that brings wisdom and healing to us all. When we bring ourselves – with open hearts, listening ears and ready hands – we are deeply touched and transformed by each other's stories and by the sweetness of essence in every being."
