

Hello Tribe!

I want you to come to Thailand with me in April for Seven Days for this all-inclusive retreat in Paradise. The 'Your Wealth is in YOUR Health Retreat' will liberate the physical body, allowing you to experience optimum health and well being. Our Physical Body, our Emotional Body, our Mental Body, and our Spiritual Body are the four energetic bodies which are part of our human and spiritual existence. Fulfillment in our lives is achieved through our physical body, our best friend, and the beauty is that this physical body has the innate capability to heal restore and rejuvenate itself. In our retreats, our participants learn how wise their bodies are.

This is what we will immerse ourselves in for optimal healing, inner peace and fun! Think of it as Mega RX Retreat for your Body! Don't you need this? Yes! We all do! Hit the reset button and go home invigorated!
