

"From Married life to the Backseat of My Car!"

with Kornelia Stephanie on Lady Boss
with Co-host: Miss Chrissy D

What you will learn on this amazing show!

- The more you are aware the more you can keep yourself safe
- The more knowledgeable you are the more powerful you are. The more powerful you are the more comfortable you are.
- This is like the #MeToo Movement.

"I think this is under the same umbrella. It's about valuing ourselves and what we bring. It's about we are worthy of being safe and protected. We go above and beyond and at the very least deserve a roof over our head, money to pay our bills and to be safe and happy and free of anxiety and fear.

I believe that, and I am willing to lead the way. Let me show you how to protect yourself and your well-being, let me show you how to create your PNK files." ~ Miss Chrissy D.
