

Hi Friends,

Do you look at the world today and wonder where the “*value of peace*” is being lived?

Do you want to feel less scared and more at peace?

Are you ready to look inside and realize you have all you need within?

I am hearing from people all the time that are loving the results they are getting with our **21 day challenge**.

They are feeling excited about their spiritual and emotional growth in *just 10 minutes a day for 21 days*.

It's amazing what happens when you are committed to choose more peace in your life everyday.

It's true -*Peace is an INSIDE job*..

The problem is most people don't know what peace means to them.

Are you ready to reach places in your heart and soul that are calling for you?

The Keeper of the Garden...TUNE IN HERE:

WHO IS IT FOR?

- Someone who is ready to turn their emotional triggers into liberation.
- Someone who is ready to heal themselves.
- Someone who has 10 minutes per day to listen to the daily practice and align with a new reality.
- Someone who wants to heal from their past and bring love to the present.
- Someone who wants to feel and believe the following about yourself after 21 Days.
- I am safe, I am confident, I love myself, I speak my truth, I claim my intuitive knowing, I am unified, I am whole.

Peace – Your Truth North – is the direction of your higher power guiding you in building your new world with every thought, action, and deed, in community for community, because love is the action and peace is the way.

*Love always,
Kornelia*

"The Crap or the Kit."

With Miss Chrissy D

If there is one thing I've learned it's no matter how good life is, it can change instantly. As woman we need to learn how to protect ourselves so that when something happens we will still be ok. Learn from my mistakes and let me show you how.

1. I want woman to take ownership of their life and their value.
2. I want woman to start talking with each other and encouraging us to know our value and taking charge of our well being.
3. Get their PNK files. It will help you save your life, if you ever find yourself in a challenging time with the law, or family or whatever life decides to throw your way.
