

Hi Friends,

It's been a huge expansive week. With many live events.

**You can catch me on Facebook Live
Monday through Friday at 11:30am PST. [Kornelia Stephanie Facebook.](#)**

I have been having so much fun, shining the light and sharing engaging topics that are supportive and expansive.

Come join me.
I would love to see you.
Come into the present moment,
where freedom lies,
Come into the present moment
where choice is the bridge,
Come into the present moment,
where my heart is, open, receptive, vulnerable, juicy,
Loving YOU.

If your anything like me facing all the new changes in life sometimes requires extra courage while we wait and live in Supreme trust allowing all the perfect matches to meet us in our new unfolding.

In order for me to be true to my core values of living in freedom, I was faced with taking another huge leap of faith on my evolutionary journey. My ego was a little frightened.... me taking this next step, so I wrote the following words to transmit my intention informing the beloved Supreme consciousness of my commitment.

Dear Beloved Supreme Being.

I AM informing the field

I feel good- I feel empowered.

Beloved God, Beloved Source, Grateful I AM

I have Faith in You beyond my Current Reality.

Show me the magic Universe.

I know you are magnificent.

I realize this is the new beginning-way showing the new path.

My new consciousness aligned with unlimited possibilities.

My mind has no reference point, which leaves me in a state of surrender because I can't think about what happens next.

I don't know, and I am ok with that.

This is the flow of being in the new world.

I am innocent. I am moving into heart-centered stillness.

And so it is...

your beloved Kornelia Stephanie

May this serve you in times of change.

I have a big favor to ask, which is to simply subscribe to my YouTube channel. [CLICK HERE](#) and then on the red Subscribe button in top right. The channel needs 1,000 subscribers to become a YouTube Partner which will help me share all of the wonderful material that women entrepreneurs are offering to new people. We are just over 99 subscribers and could really use your supportive nudge.
