*Create Your Version of Paradise
with Integrity and Honor*

KORNELIASTEPHANIE.COM

Hi Friends,

On the outside, everything looks messy.

Much is being sorted **out in our relationships with everything and everyone**. It can be challenging to see and build your new foundation on a clean slate when everything seems so messy, so chaotic. However, **your imagination, your creative visualization**, including the guidance that you receive here, will assist you now to **create your version of paradise with integrity and honor**.

Do this everyday for 10 minutes.

You are choosing now ...

prioritize what is important to you.

No two paths are the same. Each of us is **unique** and has **special gifts** and talents that we bring to the whole, each unique, **individual**, and **perfect**. While we are all on our own journeys, knowing what we each value is crucial because we **make choices each moment** based on our **inner-value system**.

We are blueprinting our new reality here.

Here is your **new value template**. Feel free to add on anything that comes to your heart and share it with us.

We are the creators of our lives.

Manifesting By the Speed of Light with the Power of Your Words.

You are choosing now ... Here's what I've chosen.

My business colleagues had a little private conversation going on that I found out about.

They said, what's Kornelia up to now?

What is she doing now?

I AM creating Lavish.....NEW BEGINNINGS.

I just **adore** the word "lavish".

Lavish is luscious.

Lavish health, lavish wealth, Lavish relationships, when I automatically lean into any of the three, health, wealth, relationships-**the way I want to feel is ~ Lavish.**

It's true because the world is a mirror to how we perceive it. That's why it's important to feel your way into it first.

We are living in the 5th dimension. ~Heaven on Earth.

It is all here to support your new creation.

I AM creating Lavish.....NEW BEGINNINGS.

I DID it. I am doing it. Lavish Wealth, Health and Relationships.

And I will continue to do it until that which I have done is perfectly externalized within my world. ~Inspired by Neville Godhard.

[Do this everyday for 10 minutes.](#)

Who's with me?

*Lots of Love,
Kornelia*
