

**Hi Friends,**

Do you know what happens  
**when you walk around with an energy field that has fear in it?**

It preoccupies the mind the mental body that some danger is up ahead.

**It is what happens when we don't acknowledge our fear (emotion).**

It lingers in your field until the moment comes when you choose to transcend the fear so you can rise into your greatest potential or keep walking around with it, saying I have fear, or I'm afraid and things don't get any better.

**I have mastered transcending fear.**

I am going to show you how you can, too, and I will also do a clearing, purification, group session for all who register and come to my **[Free Webinar this Saturday at 11AM PST](#)**
